

FAMILY VIEWS

February 2020

I hope you are all well and had a happy and healthy Christmas and New Year and an enjoyable break from school.

We're straight back to normal, thinking about the things we can do with you all this year.

For some people, February is all about Valentine's Day and love full of big gestures, flowers and cards but I've been thinking about how we show each other love all year round. Sometimes, we can show someone how much we care just by saying or doing something kind, by spending time with them (even though it might not be convenient for us) and by just making them smile. I know I could sometimes stop and think about how I respond to my family when I'm busy for example. All these things are free and things we should think about all the time. Maybe this February as we prepare to enter the season of Lent and how much Jesus did to show his love for us, we should think about how we can love one another.

Come along and see us at Craft @ 4 on the 9th a great monthly meeting where we chat, share, eat and get crafty.

Right, I'm off to think about Holiday Club 2020! Keep your eyes peeled.....

God Bless.
