

# FAMILY VIEWS

## March 2020

Welcome to another edition of Family Views. I can't believe it's March already and its such a long time since we celebrated Christmas.

The 25<sup>th</sup> February was Pancake day which means we are now in a Lent, a time for reflection and thinking about the things that Jesus did for us, and how we can discipline ourselves to be able to relate to such a challenging time.

I haven't given anything up for Lent for a few years now, but try to think about how I can enhance my knowledge of the bible and challenge my learning during this time. I find this is much more beneficial and I think anyone who knows me likes me better when I can eat chocolate! That doesn't mean it's a bad thing to give things up, but sometimes you can try something different.

We have now got our theme for Holiday Club and there is a poster on the next page. We have decided to just do holiday club on Tuesday, Wednesday and Thursday afternoons this year, which will mean less of a commitment as I know many people found it hard to manage the whole week. We will still have lots of fun and excitement though!

Have a great March - Brighter (and hopefully warmer) days are coming!

God Bless.
